Hi,

I just took over this case for an ADA who went on [REDACTED]. I was under the impression that the summonses went out a while ago but it looks like you were notified w/ in the last couple of days. I had originally anticipated getting to the analysis of the drugs on Tuesday but it looks like we are starting testimony on Wednesday which would mean I would reach your respective parts on Thursday. Are either of you free to come to court on either Thursday or Wednesday? The case is being heard in Middlesex Superior Court at 200 TradeCenter in Woburn

My apologies for the late notice- I know that you have a lot of courts to get to.

Thanks,  
Lisa
